Format

- Thirteen (13) designated rounds across seven (7) events will be used for selection purposes.
- These consist of six (6) 36-hole events and one (1) 18-hole events as shown above
- To be considered for automatic selection, players must play a minimum of seven (7) rounds.
- Points will be awarded for each round equally as per the table below. At the end of the season, the players highest seven (7) point scoring rounds will count.

- In the event of a tie (excluding a playoff to decide the winner of the event), the points for the corresponding positions will be amalgamated and then distributed to said players equally. For example, if there are three (3) players tied for 4th, the associated points for 4th, 5th and 6th will be added together and then divided by three (3). If the number of calculated points is not a whole number, they will be rounded up to the next whole number i.e.; $76+62+50 = 188 \div 3 = 62.66 = 63$ points distributed to said players.
- A bonus of 80 points will be awarded to the outright winner of each of the six (6) 36-hole events. This will be added to the players points total regardless of how many of the rounds played in this 36-hole event count towards the best 7 round total. In the event that joint winners are announced, bonus points will be divided amongst the joint winners. This is denoted on the Leaderboard with * in the TOTAL POINTS column.
- At the end of the series, the leading five (5) available players will be automatically selected for the Thyne Trophy Team, consisting of eight (8) players.
- At the end of the season the leading three (3) available players on the *Nurse Next Door – Hobart East* Open Series Leaderboard will win a trip interstate to compete in a National Order of Merit Event (Event TBC)
- In the event of a tie for 5th place or 3rd place, the selectors will have discretion as to automatic selection.
- Any remaining positions in the Thyne trophy team will be selected at the discretion of the selectors. In making their decision, they will consider including, but not limited to and in no particular order; event wins, top 5 results, other state and interstate results, participation, pennant results and player conduct.
- The GST Board has the right to over-rule the automatic selection in the Thyne Trophy team or to receive trip interstate pending suitability, behaviour or any other reasons that they deem unacceptable for selection
